Summary

Highly motivated and experienced product manager with a track record of delivering successful products in the shared mobility tech & mobile gaming industry. Proficient in agile methodologies, market research, and stakeholder management. with a strong ability to identify market needs and develop solutions to meet those needs. I have a proven ability to drive product strategy and execution, as well as to build and maintain strong relationships with cross-functional teams. I am excited to bring my expertise to a tech startup and help drive the growth and success of the company.
